

## MidiSkive 5-50C

Hose skiving machine with table

External skiving tool

Internal skiving tool

## MidiSkive 50-50C

### Skiving

Skiving machine complete with table and tool holders for efficient skiving of hydraulic hoses from dimensions 3/16" up to 2". MidiSkive 5-50C is delivered complete with tool holders and a waste collection bin.

### DIMENSIONS

Width/ Depth/ Height ..... 900x850x2150 mm  
 Weight ..... 75 kg

### DESIGNATION:

MidiSkive 5-50C.....

### PART NUMBER:

9020-03-00

### ACCESSORIES

External skiving tool..... separate specification  
 Internal skiving tool..... separate specification

### TECHNICAL DATA

Hose capacity external skiving 1-2-3-4-6.....3/16" – 2"  
 Hose capacity internal skiving ..... 3/8" – 2"  
 Hooks for external skiving tools..... 12 pcs  
 Holder for internal skiving tools.....6 pcs  
 Motor..... 0,75 kW  
 Voltage 3 - phase ..... 230/400V/16A/50Hz  
 Voltage single phase ..... 230/10A/50Hz  
 Velocity .....125 rpm  
 Colour ..... Light grey
